Group Meeting #12

📅 **Date:** 18 April 2025

⏰ **Time:** 4:00 PM AET

📍 **Location:** Discord server

🎯 **Agenda:**

1. **Discuss on the presentation feedback**
2. **Discuss on the timeline and estimate the work in timeline**
3. **Next Steps & Action Items**

📝 **Meeting Minutes:**

1. To pursue or to not pursue housing struggles
   a. To pursue
      i. Gather new set of interview with questions focusing on housing issue now
      ii. Data gathering:
         1. Perform another round of investigation with housing specific questions to understand specific user pain points
   b. To not pursue
      i. Focus on social and academic challenges by reframing the problem statement again so we can reuse the features/ brainstorming session
         1. Old features:
            a. Smart housing recommendation system
            b. Smart visual insight tool
            c. EngageU: Reward based system
         2. Brainstorming feature
            a. Smart planner for course
            b. Smart recommendation for academic resources/learning like connect to study groups or seniors or mentor
2. Question to ask tutor (Open List)
   a. Can we address social struggle by addressing housing struggle? Because housing struggles often have a direct impact on social struggle.
